Sex with teen boys charged

Sparks police have arrested a 41-year-old private security officer for reportedly enticing teenage boys to engage in sex with him in his apartment.

Bernard P. Doran of 555 Sullivan Lane, Sparks, was in jail today in lieu of $60,000 bail on three counts each of sexual assault and soliciting a minor to engage in crimes against nature.

Police arrested Doran Thursday, two days after a woman and her 17-year-old son appeared at the police department to make a complaint. Police said two boys involved in the charges attend Sparks High School and the third attends Reed.

One of the boys said Doran offered them money and jewelry and quoted Doran as saying he bought another boy a motorcycle for sex. The youths said no drugs were involved, but liquor was available for them in the apartment.

One youth said Doran told them he was a judo instructor. He said Doran would have them remove their shirts, showing them where they were vulnerable to attack, then would move his hands around their bodies.

He said he did not engage in sex with Doran, but saw Doran and another boy having sex.

Dear Mick:

Thank you for your note of the 18th.

We will make no contact concerning the Gaynor study and look forward to the presentation to the entire national meeting.

We did come as close to closing the Doran file as possible. His correspondence was filled with inaccuracies and the local council has handled the matter in a very efficient and effective manner. It is their intention to deny Mr. Doran registration with the Boy Scouts of America is he should attempt to register again. If this situation reoccurs, please keep us posted and we will work closely with the local council. I have worked closely with the scout executive, Dick Loquvam, and the council attorney and am confident that they can handle the matter without problems.

Best regards,

Richard E. Parker

Dear Paul:

Enclosed is a confidential record sheet on Bernard Pat Doran. We have also enclosed a copy of our March 5, 1980 letter to Mr. Doran indicating that we were waiting National's instructions following the receipt of the letter. We do hope no one there will respond directly to Mr. Doran without contacting us first.

Our attorney and we have not yet decided precisely how we will handle public relations aspects locally, nor how we will respond directly to Mr. Doran.

We have received his verbal resignation from his only remaining position with the Boy Scouts of America. In addition, we have determined that his unit registration where his fee was paid, expired effective January 31, 1980, and that the registration from which he resigned also expired since it was a multiple registration hinged upon his 1979 unit fee. We therefore have decided that it would be unnecessary to suspend his registration since none exists.

We appreciate your help in this matter.

Sincerly,

J. Richard Loquvam

SUBJECT: Bernard Doran

Dear Dick:

Thank you for the information which you recently sent to us on Bernard Doran. We shall certainly place this letter in our file since anything we have helps to give us information that may prove to be useful at a later date.

We also do not find any information on a Carol Khayati. If this is all we have, and since we don't know where she was registered or other information about her, I think we can just forget about it at the present time. The likelihood of her being registered again is probably slim. Apparently, this matter took place some time ago.

If you have more information which turns up at a later date, please do not hesitate to contact us. In the meantime, I will not set up a file for Carol Khayati unless you can supply more information.

Sincerely,

Paul I. Ernst, Director

Dear Paul:

I am forwarding to you copies of information we've received from the Washoe County Department of Parole and Probation.

They indicate that a Carol Khayati had misapplied funds for a Scout group and been convicted for that offense. They have sent us a check as partial restitution for the amount that was taken.

Her accuser is Mr. Bernard Doran whom you placed on your confidential file two or three years ago as a sex offender.

We can find no record of Carol Khayati being registered in our units, and since the units no longer exist, we find it difficult to follow the matter up.

We are therefore forwarding this information to you on the chance that it will be useful.

FACTORS LEADING TO DENIAL OF REGISTRATION OF

Bernard Pat Doran

MR. DORAN HAS STATED HE SERVED A 3-YEAR SENTENCE FOR SEX OFFENSE: This is supported by Mr. Bernard P. Doran's statement as quoted from his letter, dated February 22, 1980, addressed to the Director of Scouting & Exploring Volunteer Workers. The original letter is in the possession of the National Council, Boy Scouts of America. Mr. Doran concluded the first paragraph of that letter with the following quotation: "I moved to the State of Nevada in the early part of 1977, after completing a 3-year sentence in the Rahway State Prison, for a sex offense."

SUPPORTING STATEMENTS: Mr. Bernard P. Doran has made the same statement on separate occasions to a member of the Nevada Area Council professional staff and to a key volunteer.

FURTHER VERIFICATION: If further verification is needed the National Council should check prison records at Rahway State Prison.

Dear Mr. Doran:

Your letter to this office dated February 25, 1980, with its enclosures, was received on March 4, 1980.

Please be advised that regulations of National Council, B.S.A. require that upon receipt of a letter such as yours, the National Council B.S.A. contact the Nevada Area Council.

On March 4, 1980, upon receipt of a copy of your letter to the National Council B.S.A., I telephoned the National Council. Your letter had not been received. The department to which you addressed your letter is a non-existant department, and your letter will have to be internally re-routed to the proper department. Thus, it may be some time before the National Council B.S.A. can examine it and contact this office. We will contact you at that time.

Very truly,

J. Richard Loquvam
Council Executive
